Dear Parents,

I am hoping this letter finds you enjoying making special summer memories, doing the things you love with the people you love the most. I would like to take this opportunity to welcome all students, including our new students, to McCaig Elementary School for the 2018-2019 school year.

As children continue to enjoy their well-deserved time off, the McCaig Elementary School staff are looking forward to the start of the 2018-19 school year. We have been working hard preparing for the opening of school. We are looking forward to a productive partnership with you during the upcoming school year to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from both the home and their school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for your child's success and want you to know that we will continue do our very best, working in partnership with you, in 2018-19. **Please take note that school starts on Thursday, August 30th!**

In addition to this *parent letter*, you are once again receiving an attachment copy of the 2018-19 school calendar and your child's school supply list. Please "save" these documents and make copies for yourself if you have not already done so.
