

Dear Parents/Guardians and Friends,

You think it's too early to order your natural Christmas tree? Think again! This year, the demand is high for natural Christmas trees but we've got you covered! Once again, TFOMES is proud to offer you the possibility to have your natural Christmas tree delivered to your home by a Nutcracker. In doing so, a percentage of each purchase will be given to TFOMES, and you will be getting a discount on regular priced trees. All the profits generated will benefit the students of McCaig Elementary School.

New this year! Different kinds of trees are available as well as table trees and decorated wreaths.
