## SNOW FORECAST FOR TOMORROW, JANUARY 29, 2019

Dear parents and guardians,

The Weather Network is forecasting a possible snow storm for tomorrow, January 29, 2019. As our school board covers a large territory (Laval, Laurentides and Lanaudière), the weather conditions could vary from one region to another. For this reason, transportation **could** be cancelled tomorrow in **some regions** of the school board.

Here are some important reminders to ensure you receive accurate and timely information.

As per the school board's [policy concerning emergency closure of establishments during inclement weather](#), here are the three different circumstances possible during inclement weather:

- **Cancellation of transportation** (occurs during inclement weather conditions rendering the road conditions hazardous):
  - Students remain at home;
  - **Daycare services are open** (only for students registered as regular users, OR sporadic users registered for that particular weekday in daycare).
  - Daycare fees and schedule will be the same as on a Ped day.
- **Suspension of classes during unforeseen circumstances** (for example, power outage, water damage, etc.):
  - Students remain at home or will be sent home if they are at school;
  - Daycare services are closed.
- **Temporary closure of establishment:**
  - When an establishment is temporarily closed, students remain at home;
  - Daycare services are closed;
  - Employees do not report to work.

## COMMUNICATING THE INFORMATION

Once the decision is made to cancel transportation, we immediately:

- Post the information on the **SWLSB website** ([www.swlauriersb.qc.ca](http://www.swlauriersb.qc.ca)).
- List the names of schools where transportation is cancelled on the School Board's main phone line (450 621-5600 or 1 866 621-5600).
- Post the information on the **SWLSB Facebook page** ([www.facebook.com/swlsb](http://www.facebook.com/swlsb)).
- Send the information via the **Sir Wilfrid Laurier School Board mobile app**. (You must download the Sir Wilfrid Laurier School Board app on the Apple Store or Google Play to receive notifications.)
- Inform the media.

## CHALLENGES

In this day and age, information travels fast but unfortunately not always accurately. **Once we send this information to the media, we have no control over the message that is broadcast.** The best way to get the most accurate and reliable information is to consult the SWLSB website and Facebook page, download the app to receive notifications or to call the School Board's main phone line at **450 621-5600** or **1 866-621-5600**.

## BUS TRANSPORTATION DELAYS DURING INCLEMENT WEATHER

During inclement weather days, please expect some delays on the morning and/or afternoon bus routes. Laval high school parents can locate their child's STL bus in real time at the following website <http://www.stl.laval.qc.ca/en/students-zone/integrated-school-bus-routes/locate/>.

Thank you for your cooperation!
