

Operation Toasty Toes, Heated Hands and Holiday Food Drive!

As we all know, winter is on its way.
There are many families in our community who are
in need of clothing and food
to keep them warm and nourished this winter season.

That's why the Student Council would like to encourage
you to bring in NEW mittens and socks,
as well as the class designated non-perishable items for
these less fortunate families.

Please bring these items in by
December 10th, 2018.

YOU CAN make a DIFFERENCE!

Thank You,
McCaig Student Council
