Dear Parents,

Thank heavens for Spring! I am sure we are all looking forward to warmer days and sunshine. That being said, please note that despite the warmer weather that is forecast for this week, all students must continue to come to school dressed ready to play outside. There is still a lot of snow, mud and water in the school yard and, consequently, it is highly recommended that all students continue to wear winter or rain boots outside for a little bit longer. It is also still highly recommended that students have an extra set of clothes/socks at school. Please note that no matter what they wear, all students **MUST** have indoor and outdoor footwear at school.

Thank you for your collaboration,

Richard Mason  
Principal
