TFOMES: New Fundraising Campaign for 2021-2022

Dear McCaig Parents,

Each year, The Friends of McCaig Elementary School (TFOMES) members brainstorm to innovate and develop new types of fundraising for the children of McCaig. TFOMES is pleased to announce that for the 2021-2022 school year, you will be able to purchase your children's school supplies online while at the same time encouraging TFOMES and fundraising.

Yes, you read right! No more school supply shopping puzzles to find the famous light blue double-spaced notebook, half dotted that glows in the dark. You will now be able to access the list of your children's school effects directly online and someone will take care of finding and preparing your purchases for you. Fantastic you say! Even better!

Like every TFOMES fundraising campaign, parent participation is completely voluntary but we are happy to offer a nice alternative for those who dread this time of year because of the need to purchase school supplies.

This year, our partnership is with *Hamster + Le papetier Le libraire*. If you wish to participate to this fundraiser, you will have to go to the following website: lepapetier.ca/ma-liste and follow the 4 easy steps to complete your transaction. See attached document for more information.

Using this method, TFOMES will receive 5% of the total sales money which will be invested directly towards activities and projects for the children of our school. Their main project for the 2021-2022 school year is the acquisition of a new play structure for our school yard.

Friendly reminder that the school is not imposing this supplier (*Hamster + Le papetier Le libraire*) onto McCaig families. TFOMES has decided to offer this service as a TFOMES fundraiser and also to help parents and families, as shopping for school supplies is not always fun. The school is also not allowed to suggest specific brand to parents, *Hamster + Le papetier Le libraire* may propose some specific brands but it will be at the parent's discretion to follow their recommendations.
